

Greek Judicial Board

The Greek Judicial Board addresses complaints unique to the Greek community (e.g., rush violations, failure to meet obligations imposed by the Greek Council, failure to pay Greek Council Dues, etc.). If a complaint is brought forward that involves a violation of College policy, a standard Judicial Board is the body that hears the case.

The Greek Judicial Board is comprised of one representative from each Greek organization recognized by Greek Council, the Director of Greek Life, the Greek council Advisor(s), Greek council president, and a faculty judicial board member. For a hearing, the member(s) of accused organizations do not participate (if the Council President is a member of the accused organization, another member of the executive board is appointed).

Details of the procedures for this board are available from the Director of Greek Life.

Violators of any of the above Greek organization policies may be subject to discipline under the Student Code of Conduct, Greek Council, or both.
